“Open for me the eye of a needle and I will open for you the most expansive corridors of the Great Hall.” G-d asks of us only one thing: “I don’t ask you to change your entire life; I ask only that you open for me the eye of a needle. Dedicate to Me, one moment, one space, one corner of your life. But this moment, this space, this corner should be only for Me...”

~Midrash, Shir HaShirim Rabba 5:2
